

PIANO TEACHER

We are looking for an enthusiastic and nurturing teacher who is experienced in teaching both group and individual lessons in-person and/or online using the Zoom platform.

WHAT WE DO

We are a music school that provides quality music lessons to students all around the world. We offer quality group and private instruction to our growing community of students. Our team members are highly skilled in teaching music and thrive in a community-oriented environment. Our school offers unique learning opportunities to our students, including exciting recitals, master classes featuring famous composers and musicians, and community service opportunities. We believe in building well-rounded students who use music to express themselves emotionally and to develop self-confidence in a fun and collaborative environment. Our slogan is “Creating harmony one note at a time” and we need your help in expanding our vision through each student that enrolls in our school!
